To all holders ("**Shareholders**") of ordinary shares of US\$0.01 each ("**Ordinary Shares**")

Dear Shareholder

Introduction

As the Company was incorporated in 2003, the Board has undertaken a review of the structure of the Company and its constitutional documents. The conclusion of this review is that various amendments are recommended to the Company's memorandum and articles of association to address certain regulatory and legislative changes and to create a greater degree of consistency among the constitutional documents for the three funds managed by VinaCapital Investment Management Ltd (the "**Investment Manager**"). Among other changes, changes to the articles of association include the establishment of a share buy back mechanism, which we feel is particularly important during times of uncertainty in the international financial markets. At the same time, we are proposing a Shareholder resolution to increase the Company's authorised share capital to provide the Company with sufficient authorised share capital to meet its long-term fund raising requirements. To create greater consistency of the VinaCapital brand, the Board is also proposing a Shareholder resolution to change the name of the Company to VinaCapital Vietnam Opportunity Fund Limited. Finally, we would like to draw your attention to the proposed increase in Directors' fees which have not changed since the Company was established in 2003.

Further details of these matters are set out below.

Change of Name (Resolution 1)

The Company is proposing to change its name to VinaCapital Vietnam Opportunity Fund Limited to create greater consistency with the Investment Manager's "VinaCapital" brand. It is also intended that both VinaLand Limited and Vietnam Infrastructure Limited will similarly be rebranded. Among other benefits, the name change will link the Investment Manager to the funds in professional search engines such as the Bloomberg system. It is expected this will help increase the Company's profile and the profile of the Investment Manager's other AIM-traded investment companies.

Increase in Authorised Share Capital (Resolution 2)

The Company is proposing a resolution to increase its authorised share capital to US\$100,000,000 divided into 10,000,000,000 Ordinary Shares. The Board believes this increase will provide the Company with more than sufficient capacity to undertake future equity fund raisings in the medium to long term. The Board will of course continue to adhere to the undertaking set out in the Admission Document that all further share issuances will only be undertaken at a price not less than the prevailing NAV per Share.

Amendments to Memorandum and Articles of Association (Resolutions 3 to 14)

The Company is proposing to make a number of changes to its memorandum and articles of association ("Articles"). The majority of these amendments are designed to update the Articles for legislative and regulatory changes which have occurred since the Company's incorporation and to create greater

consistency with the constitutional documents of the other VinaCapital funds. Some of the more material proposed changes are summarized below. The exact text of the proposed changes to the Articles is set out in full in resolutions 3 to 14, however, for ease of reference for Shareholders a black-lined copy of the proposed new Articles highlighting all of the proposed amendments can be viewed at the Company's website at www.vietnam-opportunity-fund.com

Article 14 – Transfer of Shares

The Company is proposing to adopt new powers to allow the Board to force a transfer of some or all of the shares of a particular Shareholder where the continued holding of those shares by such holder would, in the opinion of the Directors, cause regulatory problems for the Company and/or the Company's other Shareholders. This provision is primarily to ensure the Company and/or the Investment Manager do not fall under any onerous US regulatory requirements particularly under the US Employee Retirement Income Security Act of 1974, the US Investment Company Act of 1940 or the US Investment Advisers Act of 1940. A similar provision to this effect is included in the articles of association of VinaLand Limited and Vietnam Infrastructure Limited (the other AIM quoted investment companies managed by the Investment Manager).

Articles 17 and New Article 17A – Redemption and Repurchase of Shares

The Company is proposing to rationalise the powers of the Company to purchase its own shares. The intention of this change is to give the Company a permanent general authority to purchase its shares provided that:

- purchases are made for cash at prices below the prevailing NAV per Share; and
- the price to be paid per share is not more than the higher of: (i) five (5) per cent. above the volume weighted average price of the shares for the five (5) business days before the purchase is made; or (ii) the higher of the price of the last independent trade and the highest current independent bid at the time of purchase.

The Board believes this general authority will give greater flexibility to the Company in the timing of share buy-backs allowing it to react more quickly to market movements and actively manage any discount that may arise between the quoted price of the shares and their underlying net asset value.

The laws of the Cayman Islands, where the Company is domiciled, currently preclude the direct holding by a Cayman Islands company of treasury shares (all repurchased shares must be immediately cancelled and returned to the pool of authorised but unissued shares of the Company).

Under Cayman Islands law there is no restriction preventing a wholly-owned subsidiary from purchasing or holding shares in its parent company. Consequently, through the use of a share purchase subsidiary ("**SPS**") the Company could effectively replicate a treasury share facility. It is intended therefore to insert a new Article 17A into the Articles to give the Company the flexibility to purchase shares via a SPS if considered appropriate. Shares purchased by an SPS will need to comply with the same general share purchase conditions imposed on the Company under Article 17 (as set out above) and at no time will one or more SPSs be allowed to hold in aggregate more than 49.9 per cent. of the Company's issued share capital from time to time.

New Article 24 – Notification of Interests in Shares

In February 2007 the AIM Rules for Companies were amended with the effect that AIM traded companies are required to incorporate into their articles of association provisions to replicate the relevant parts of The Disclosure and Transparency Rules of the UK Financial Services Authority (the "**DTR**"). Under the proposed new Article 24 for so long as the Company has any of its share capital admitted to trading on AIM, or any successor market or any other market operated by the London Stock Exchange, every Shareholder will be obliged to comply with the notification and disclosure requirements set out in Chapter 5 of the DTR as if the Company were classified as a "issuer" whose "Home State" is the United Kingdom.

Under the DTR, a Shareholder would be required to notify the Company of the percentage of its voting rights if the percentage of voting rights which he holds (directly or indirectly) reaches, exceeds or falls below 3 per cent., 4 per cent., 5 per cent., 6 per cent., 7 per cent., 8 per cent., 9 per cent., 10 per cent. and each 1 per cent. threshold thereafter up to 100 per cent. Notification would be required within four trading days of the Shareholder learning of the acquisition or disposal leading to the increase or decrease

in his shareholding. Any such notifications received by the Company would be formally announced by the Company via a regulatory information service.

The Disclosure and Transparency Rules can be accessed and downloaded from the UK Financial Services Authority's website at <http://fsahandbook.info/fsa/html/handbook/DTR/5>.

The Board believes the introduction of these new provisions into the Articles will benefit both the Company and Shareholders as it will allow the Company and Shareholders to have greater clarity over the ownership of key holdings in the Company.

New Article 25 – Request for Information

In addition, the Company is proposing to add a further provision to its Articles to give the Board the power to serve notice on any Shareholder requiring that Shareholder to disclose to the Company the identity of any person (other than the Shareholder) who has an interest in the shares held by the Shareholder and the nature of such interest. The Directors may also be required to exercise their powers under this Article on the requisition of Shareholders holding at the date of the deposit of the requisition not less than one-tenth of the paid up capital of the Company which carries the right of voting at general meetings. Any information provided by a Shareholder in response to an information notice will not be publicly announced unless it constitutes an interest that would otherwise be notifiable for the purposes of the DTR.

If any Shareholder is in default in supplying the information required by the Company within the prescribed period (which is 28 days after service of the notice or 14 days if the shares concerned represent 0.25 per cent. or more of the issued shares of the relevant class), the Directors in their absolute discretion may serve a direction notice on the relevant Shareholder. The direction notice may direct that in respect of the shares for which the default has occurred (the "default shares") and any other shares held by the Shareholder, the Shareholder shall not be entitled to vote in general meetings or class meetings. Where the default shares represent at least 0.25 per cent. of the issued shares of the relevant class of shares concerned, the direction notice may direct that dividends on such shares will be retained by the Company (without interest), and that no transfer of the default shares (other than an approved transfer) shall be registered until the default is cured.

Once again the Board believes that the introduction of these new provisions into the Articles will benefit both the Company and Shareholders as it will allow the Company and Shareholders to have greater clarity over the Company's shareholder base.

Current Article 121 – Increase in overall aggregate cap on directors' fees

The Company is proposing to increase the overall aggregate cap on annual directors' fees from US\$60,000 to US\$500,000. The current cap was originally fixed in the Articles at the time of the Company's incorporation in 2003. In line with its plans, the size of the board has increased since that date from three to six members. In addition, over the same time period the Company has seen a considerable increase in size. In order to attract and retain board members of suitable international calibre and experience, the Company is seeking to bring its non-executive directors' fees in line with other AIM investment companies which will require an increase in the overall aggregate cap on directors' fees in the Articles. The actual amount of Directors fees for the year ended 30 June 2009 is expected to be approximately US\$350,000. The difference between this amount and the total cap proposed is intended to provide compensation for additional independent directors, if deemed necessary by the Board, after 30 June 2009.

Extraordinary General Meeting

Shareholder resolutions to: (i) change the Company's name, (ii) increase the Company's authorised share capital and (iii) amend the Company's Articles will be proposed at the Company's EGM to be held at 1.00 pm (Hong Kong time) on 21 October 2008 at the Caine Room, Conrad Hong Kong hotel, Pacific Place, 88 Queensway, Hong Kong.

Whether or not you intend to attend the EGM, Shareholders are requested to complete and return the accompanying form of proxy in accordance with the instructions printed thereon as soon as possible by mail or by facsimile but in any event so as to reach:

Attn: Investor Services – AFS**

By no later than 6.00 pm (Hong Kong Time) / 11.00 am (London Time) on 17 October 2008.

The completion and return of a form of proxy will not prevent a Shareholder from attending the EGM and voting in person if he/she wishes to do so. A holder of Ordinary Shares (or the beneficial title thereto) must first have his or her name entered on the register of members (or where Ordinary Shares are held in Euroclear and/or Clearstream by the relevant nominee on behalf of such holder, be beneficially entitled to such Ordinary Shares by) not later than 7.00am (London time) on 6 October 2008. Changes to entries in that register after that time shall be disregarded in determining the rights of any holders to attend and vote at such meeting (or to provide voting instructions to the relevant Euroclear and/or Clearstream nominee).

The quorum for the EGM is two Shareholders present in person or by proxy and entitled to vote at the meeting. In the event that a quorum is not achieved, the EGM will be adjourned until the same time on 29 October 2008, and the adjourned EGM will be held at the same place as the originally scheduled meeting. The quorum for such adjourned EGM is one Shareholder present in person or by proxy.

If you have any queries regarding the EGM please contact the Investment Manager on +852 29180088. (Please note that the Investment Manager can only give procedural advice in relation to the meeting and is not authorised to provide investment advice).

Recommendation

The Directors, whose beneficial or controlled holdings collectively total 3,400,859 Ordinary Shares, will be voting in favour of the resolutions at the EGM. The Directors consider the proposals outlined in this document to be in the best interests of the Company and recommend that Shareholders vote in favour of the resolutions to be proposed at the EGM.

Yours sincerely

Chairman

11. THAT the Company's Articles of Association be amended by inserting the following as new articles 24.1 to 24.6:

- "24.1 From the date of Admission and for so long as the Company has any of its Shares admitted to trading on AIM, or any successor market or any other market operated by London Stock Exchange plc or any successor every Member shall comply with the notification and disclosure requirements set out in Chapter 5 of the Disclosure and Transparency Rules Sourcebook (as amended and varied from time to time) of the FSA Handbook as if the Company were classified as an "issuer" whose "Home State" is the "United Kingdom" (as such terms are defined in the FSA Handbook).
- 24.2 If it shall come to the attention of the Directors that any Member has not, within the requisite period made or, as the case may be, procured the making of any notification required by this Article, the Company may (in the absolute discretion of the Directors) at any time thereafter by notice (a "Restriction Notice") to such Member direct that, in respect of the Shares in relation to which the default has occurred (the "Default Shares" which expression shall include any further Shares which are issued in respect of any Default Shares), the Member shall not be entitled to be present or to vote on any question (either in person or in proxy), at any general meeting of the Company or separate general meeting of the holders of any class of Shares of the Company, or to be recognised in a quorum or to sign a written resolution.
- 24.3 Where the Default Shares represent at least 0.25 per cent. in nominal value of the issued shares of their class, then the Restriction Notice may additionally direct that in respect of the Default Shares:
- 24.3.1 any distribution or any part of a distribution or other amounts payable in respect of the Default Shares be withheld by the Company, which has no obligation to pay interest on the same, and shall be payable (when the restriction notice ceases to have effect) to the person who would but for the Restriction Notice have been entitled to them; and/or
- 24.3.2 where an offer of the right to elect to receive Shares of the Company instead of cash in respect of any dividend or part thereof is or has been made by the Company any election made thereunder by such Member in respect of such Default Shares shall not be effective; and/or
- 24.3.3 no transfer of any of the Shares held by any such Member shall be recognised or registered by the Directors unless: (1) the transfer is an excepted transfer; or (2) the Member is not himself in default as regards supplying the requisite information required under this Article and, when presented for registration the transfer is accompanied by a certificate by the Member in a form satisfactory to the Directors to the effect that after due and careful enquiry the Member is satisfied that none of the Shares, the subject of the transfer are Default Shares.
- 24.4 The Company shall send a copy of the Restriction Notice to each other person appearing to be interested in the Shares the subject of such notice, but the failure or omission by the Company to do so shall not invalidate the notice.
- 24.5 Any Restriction Notice shall have effect in accordance with its terms from the date it is given until not more than seven days after the Directors are satisfied that the default in respect of which the Restriction Notice was issued no longer continues but shall cease to have effect in relation to any Shares which are transferred by such Member. The Company may (at the absolute discretion of the Directors) at any time give notice to the Member cancelling or suspending for a stated period the operation of a Restriction Notice in whole or part.
- 24.6 A person, other than the Member holding a Share, shall be treated as appearing to be interested in that Share if the Member has informed the Company that the person is, or may be interested, or the Company after taking account of information obtained from a Member knows or has reasonable cause to believe that the person is, or maybe, so interested."

Resolution 12 - Request for Information

12. THAT the Company's Articles of Association be amended by inserting the following as new articles 25:
- 25.1 For the purposes of this Article 25;
- 25.1.1 "Connected": a person ("A") shall be treated as being connected with another person ("B") if A is:
- (a) a spouse, civil partner, child (under the age of eighteen) or stepchild (under the age of eighteen) of B; or
 - (b) an associated body corporate which is a company in which B alone, or with Connected persons, is directly or indirectly beneficially interested in 20 per cent. or more of the nominal value of the equity share capital or is entitled (alone or with connected persons) to exercise or control the exercise of more than 20 per cent. of the voting power at general meetings; or
 - (c) a trustee (acting in that capacity) of any trust, the beneficiaries of which include B or persons falling within paragraphs (a) or (b) above excluding trustees of an employees' share scheme or pension scheme; or
 - (d) a partner (acting in that capacity) of B or persons in categories (a) to (c) above.
- 25.1.2 "Relevant Share Capital" means the Company's issued shares of any class carrying rights to vote in all circumstances at general meetings of the Company; and for the avoidance of doubt (i) where the Company's issued shares are divided into different classes of shares, references to Relevant Share Capital are to the issued shares of each such class taken separately and (ii) the temporary suspension of voting rights in respect of Shares comprised in issued Shares of the Company of any such class does not affect the application of this Article in relation to interests in those or any other shares comprised in that class;
- 25.1.3 "interest" means, in relation to the Relevant Share Capital, any interest of any kind whatsoever in any shares comprised therein (disregarding any restraints or restrictions to which the exercise of any right attached to the interest in the share is, or may be, subject to) and without limiting the meaning of "interest" a person shall be taken to have an interest in a share if:
- (a) he enters into a contract for its purchase by him (whether for cash or other consideration); or
 - (b) not being the registered holder, he is entitled to exercise any right conferred by the holding of the share or is entitled to control the exercise or non-exercise of any such right; or

 - (f) he has the right to subscribe for the share

whether in any case the contract, right or obligation is absolute or conditional, legally enforceable or otherwise and evidenced in writing or not. It shall be immaterial that a Share in which a person has an interest is unidentifiable.

25.1.4 a person is taken to be interested in any Shares in which his spouse or civil partner or any infant child or stepchild of his is interested and in this context, "infant" means a person under the age of 18 years;

25.1.5 a person is taken to be interested in Shares if a company is interested in them and:

- (a) that body or its Directors are accustomed to act in accordance with his directions or instructions; or
- (b) he is entitled to exercise or control the exercise of one third or more of the voting power at general meetings of that company,

PROVIDED THAT (1) where a person is entitled to exercise or control the exercise of one third or more of the voting power at general meetings of a company and that company is entitled to exercise or control the exercise of any of the voting power at general meetings of another company (the "effective voting power") then, for the purposes of Article 25.1.5(b) above, the effective voting power is taken as exercisable by that person; and (2) for the purposes of this Article a person is entitled to exercise or control the exercise of voting power if he has a right (whether subject to conditions or not) the exercise of which would make him so entitled or he is under an obligation (whether or not so subject) the fulfilment of which would make him so entitled; and

25.1.6 a transfer of Shares is an "excepted transfer" if, but only if:

- (a) it is a transfer by way of, or in pursuance of, acceptance of a takeover offer for the Company meaning an offer to acquire all the Shares, or all the shares of any class or classes, in the Company (other than Shares which at the date of the offer are already held by the offeror), being an offer on terms which are the same in relation to all the Shares to which the offer relates or, where those shares include shares of different classes, in relation to all the shares of each class; or
- (b) a transfer which is shown to the satisfaction of the board of Directors to be made in consequence of a sale of the whole of the beneficial interest in the Shares to a person that is not Connected with a Member and with any other person appearing with or to be interested in the Shares; or
- (c) a transfer in consequence of a sale made through the London Stock Exchange or any stock exchange outside the United Kingdom on which the Company's shares of the same class as the default shares are normally traded.

25.2 The Directors shall have power by notice in writing to require any Member to disclose to the Company the identity of any person other than the Member (an "Interested Party") who has any interest in the Relevant Share Capital held by the Member and the nature of such interest.

25.3 Any such notice shall require any information in response to such notice to be given in writing within such reasonable time as the Directors shall determine.

25.4 The Company shall, in addition to maintaining the register of Members, maintain a register of interested parties as if the register of interested parties was the register of Members and whenever in pursuance of a requirement imposed on a Member as aforesaid the Company is informed of an Interested Party the identity of the Interested Party and the nature of the interest shall be promptly inscribed therein together with the date of the request.

25.5 The Directors may be required to exercise their powers under Article 25.1 on the requisition of Members of the Company holding at the date of the deposit of the requisition not less than one tenth of such of the paid-up Shares in the Company as carries at that date the right of voting at general meetings of the Company.

The requisition must:-

- (i) state that the requisitionists are requiring the Company to exercise its powers under this Article;
- (ii) specify the manner in which they require those powers to be exercised; and
- (iii) give reasonable grounds for requiring the Company to exercise those powers in the manner specified,

and must be signed by the requisitionists and deposited at the registered office of the Company.

The requisition may consist of several documents in like form each signed by one or more requisitionists.

On the deposit of a requisition complying with this section it is the Directors' duty to exercise their powers under Article 25.1 in the manner specified in the requisition.

25.6 If any Member has been duly served with a notice given by the Directors in accordance with Article 25.1 and is in default for the prescribed period in supplying to the Company the information thereby required, then the Directors may in their absolute discretion at any time thereafter serve a notice (a "Direction Notice") upon such Member as follows:-

25.6.1 a Direction Notice may direct that, in respect of:-

- (i) the Shares comprising the Member account in the register of Members which comprises or includes the Shares in relation to which the default occurred (all or the relevant number as appropriate of such Shares being the "Default Shares"); and
- (ii) any other Shares held by the Member;

the Member shall have no right to vote at a general meeting or meeting of the holders of any class of shares of the Company either personally or by proxy or to exercise any other right conferred by Membership in relation to meetings of the Company or of the holders of any class of shares of the Company; and

25.6.2 where the Default Shares represent at least 0.25 per cent. of the class of shares concerned, then the direction notice may additionally direct that:-

- (i) in respect of the Default Shares, any distribution or part thereof which would otherwise be payable on such Shares shall be retained by the Company without any liability to pay interest thereon when such money is finally paid to the Member;
- (ii) no transfer other than an excepted transfer (as set out in Article 25.1.6) of any of the Shares held by such Member shall be registered unless:-
 - (1) the Member is not himself in default as regards supplying the information requested; and
 - (2) the transfer is of part only of the Member's holding and when presented for registration is accompanied by a certificate by the Member in a form satisfactory to the Directors to the effect that after due and careful enquiry the Member is satisfied that no

person in default as regards supplying such information has an interest in any of the Shares the subject of the transfer.

The Company shall send to each other person appearing to have an Interest in the Shares the subject of any Direction Notice a copy of the notice, but failure or omission by the Company to do so shall not invalidate such notice.

- 25.7 If Shares are issued to a Member as a result of that Member holding other Shares in the Company and if the Shares in respect of which the new Shares are issued are Default Shares in respect of which the Member is for the time being subject to particular restrictions, the new Shares shall on issue become subject to the same restrictions whilst held by that Member as such Default Shares. For this purpose, Shares which the Company procures to be offered to Members pro rata (or pro rata ignoring fractional entitlements and Shares not offered to certain Members by reason of legal or practical problems associated with offering Shares outside the United Kingdom) shall be treated as Shares issued as a result of a Member holding other Shares in the Company.
- 25.8 Any Direction Notice shall have effect in accordance with its terms for as long as the default, in respect of which the Direction Notice was issued, continues but shall cease to have effect in relation to any Shares which are transferred by such Member by means of an excepted transfer as set out in Article 25.1.6. As soon as practical after the Direction Notice has ceased to have effect (and in any event within seven days thereafter) the Directors shall procure that the restrictions imposed by Articles 25.6.1 and 25.7 above shall be removed and that distributions and other monies withheld pursuant to Article 25.6.2(i) above are paid to the relevant Member.
- 25.9 For the purpose of this Article:-
- 25.9.1 a person shall be treated as appearing to be interested in any Shares if the Member holding such Shares has given to the Company a notification which either (a) names such person as having an Interest in Relevant Share Capital or (b) fails to establish the identities of those having an Interest in Relevant Share Capital in the Shares and (after taking into account the said notification and any other relevant notification) the Company knows or has reasonable cause to believe that the person in question is or may have an interest in the Relevant Share Capital;
- 25.9.2 the prescribed period in respect of any particular Member is 28 days from the date of service of the said notice in accordance with Article 25.1 except where the Default Shares represent at least 0.25 per cent. of the class of shares concerned in which case such period shall be fourteen days;
- 25.10 Any Member who has given notice of an interested party in accordance with this Article who subsequently ceases to have any party interested in his Shares or has any other person interested in his Shares shall notify the Company in writing of the cessation or change in such interest and the Directors shall promptly amend the register of interested parties accordingly."

Resolution 13 - Scrip Dividends

13. THAT the Company's Articles of Association be amended by inserting the following as a new article 137:
137. The Directors may, in respect of any dividend declared or proposed to be declared (and provided that an adequate number of unissued Shares are available for the purpose), determine and announce, prior to or contemporaneously with their announcement of the dividend in question and any related information as to the Company's profits for such financial period or part thereof, that Members will be entitled to elect to receive in lieu of such dividend (or part thereof) an allotment of additional Shares credited as fully paid. In any such case the following provisions shall apply:

- 137.1 The basis of allotment shall be determined by the Directors so that, as nearly as may be considered convenient, the value (calculated by reference to the average quotation) of the additional Shares (including any fractional entitlement) to be allotted in lieu of any amount of dividend shall equal such amount. For such purpose the "average quotation" of a Share shall be the average of the middle market quotations on the London Stock Exchange as shown in the AIM appendix to the Daily Official List, on each of the first five business days on which the Shares are quoted ex the relevant dividend;
- 137.2 The Directors shall give notice in writing or by way of electronic communication to the Members of the right of election accorded to them and shall send with or following such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
- 137.3 The dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on Shares in respect whereof the share election has been duly exercised ("the Elected Shares"), and in lieu thereof additional Shares shall be allotted to the holders of the Elected Shares on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise, out of such of the sums standing to the credit of reserves (including any share premium account or capital redemption reserve fund) or profit and loss account of the Company as the Directors may determine a sum equal to the aggregate nominal amount of additional Shares to be allotted on such basis and apply the same in paying up in full the appropriate number of unissued Shares for allotment and distribution to and amongst the holders of the Elected Shares on such basis;
- 137.4 The additional Shares so allotted shall rank pari passu in all respects with the fully paid Shares then in issue save only as regards participation in the relevant dividend (or share election in lieu);
- 137.5 The Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation, with full power to the Directors to make such provisions as they think fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are disregarded or rounded up or the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Directors may authorise any person to enter on behalf of all the Members interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned;
- 137.6 The Directors may on any occasion determine that rights of election shall not be made available to any Members with registered addresses in any territory where in the absence of a registration statement or other special formalities the circulation of an offer of rights of election would or might be unlawful, and in such event the provisions aforesaid shall be read and construed subject to such determination; and
- 137.7 For the purposes of this Article, holdings of certificated Shares and of uncertificated Shares shall be treated as different holdings."

Resolution 14 - Directors Insurance

14. THAT the Company's Articles of Association be amended by inserting the following as a new article 150:

"Without prejudice to the provisions of Article 151, the Directors shall have power to purchase and maintain insurance for or for the benefit of any persons who are or were at any time directors, officers (not being an auditor) or employees of the Company, or of any other company in which the Company or any of the predecessors of the Company has any interest whether direct or indirect or which is in any way allied to or associated with the Company, including (without

prejudice to the generality of the foregoing) insurance against any liability incurred by such persons in respect of any act or omission in the actual or purported execution and/or discharge of their duties and/or in the exercise or purported exercise of their powers and/or otherwise in relation to their duties, powers or offices in relation to the Company or any such other company, subsidiary undertaking or pension fund."
